### ACCOMMODATION FOR VISITORS WITH MOBILITY DEVICES/STROLLERS

All four levels of the building and grounds are accessible to all visitors. Each level has elevator access, and some levels are accessible by ramp. The Observatory may also make accommodations for visitors with special needs with advance notice. Please call **(213) 473-0800**, and ask for the Operations staff.

### RESTROOMS

Restrooms and drinking fountains are located on each level of the building. Every restroom has a baby-changing station. Restrooms with accommodation for visitors with mobility devices are located on the lower levels.

### HEARING ASSISTS AVAILABLE

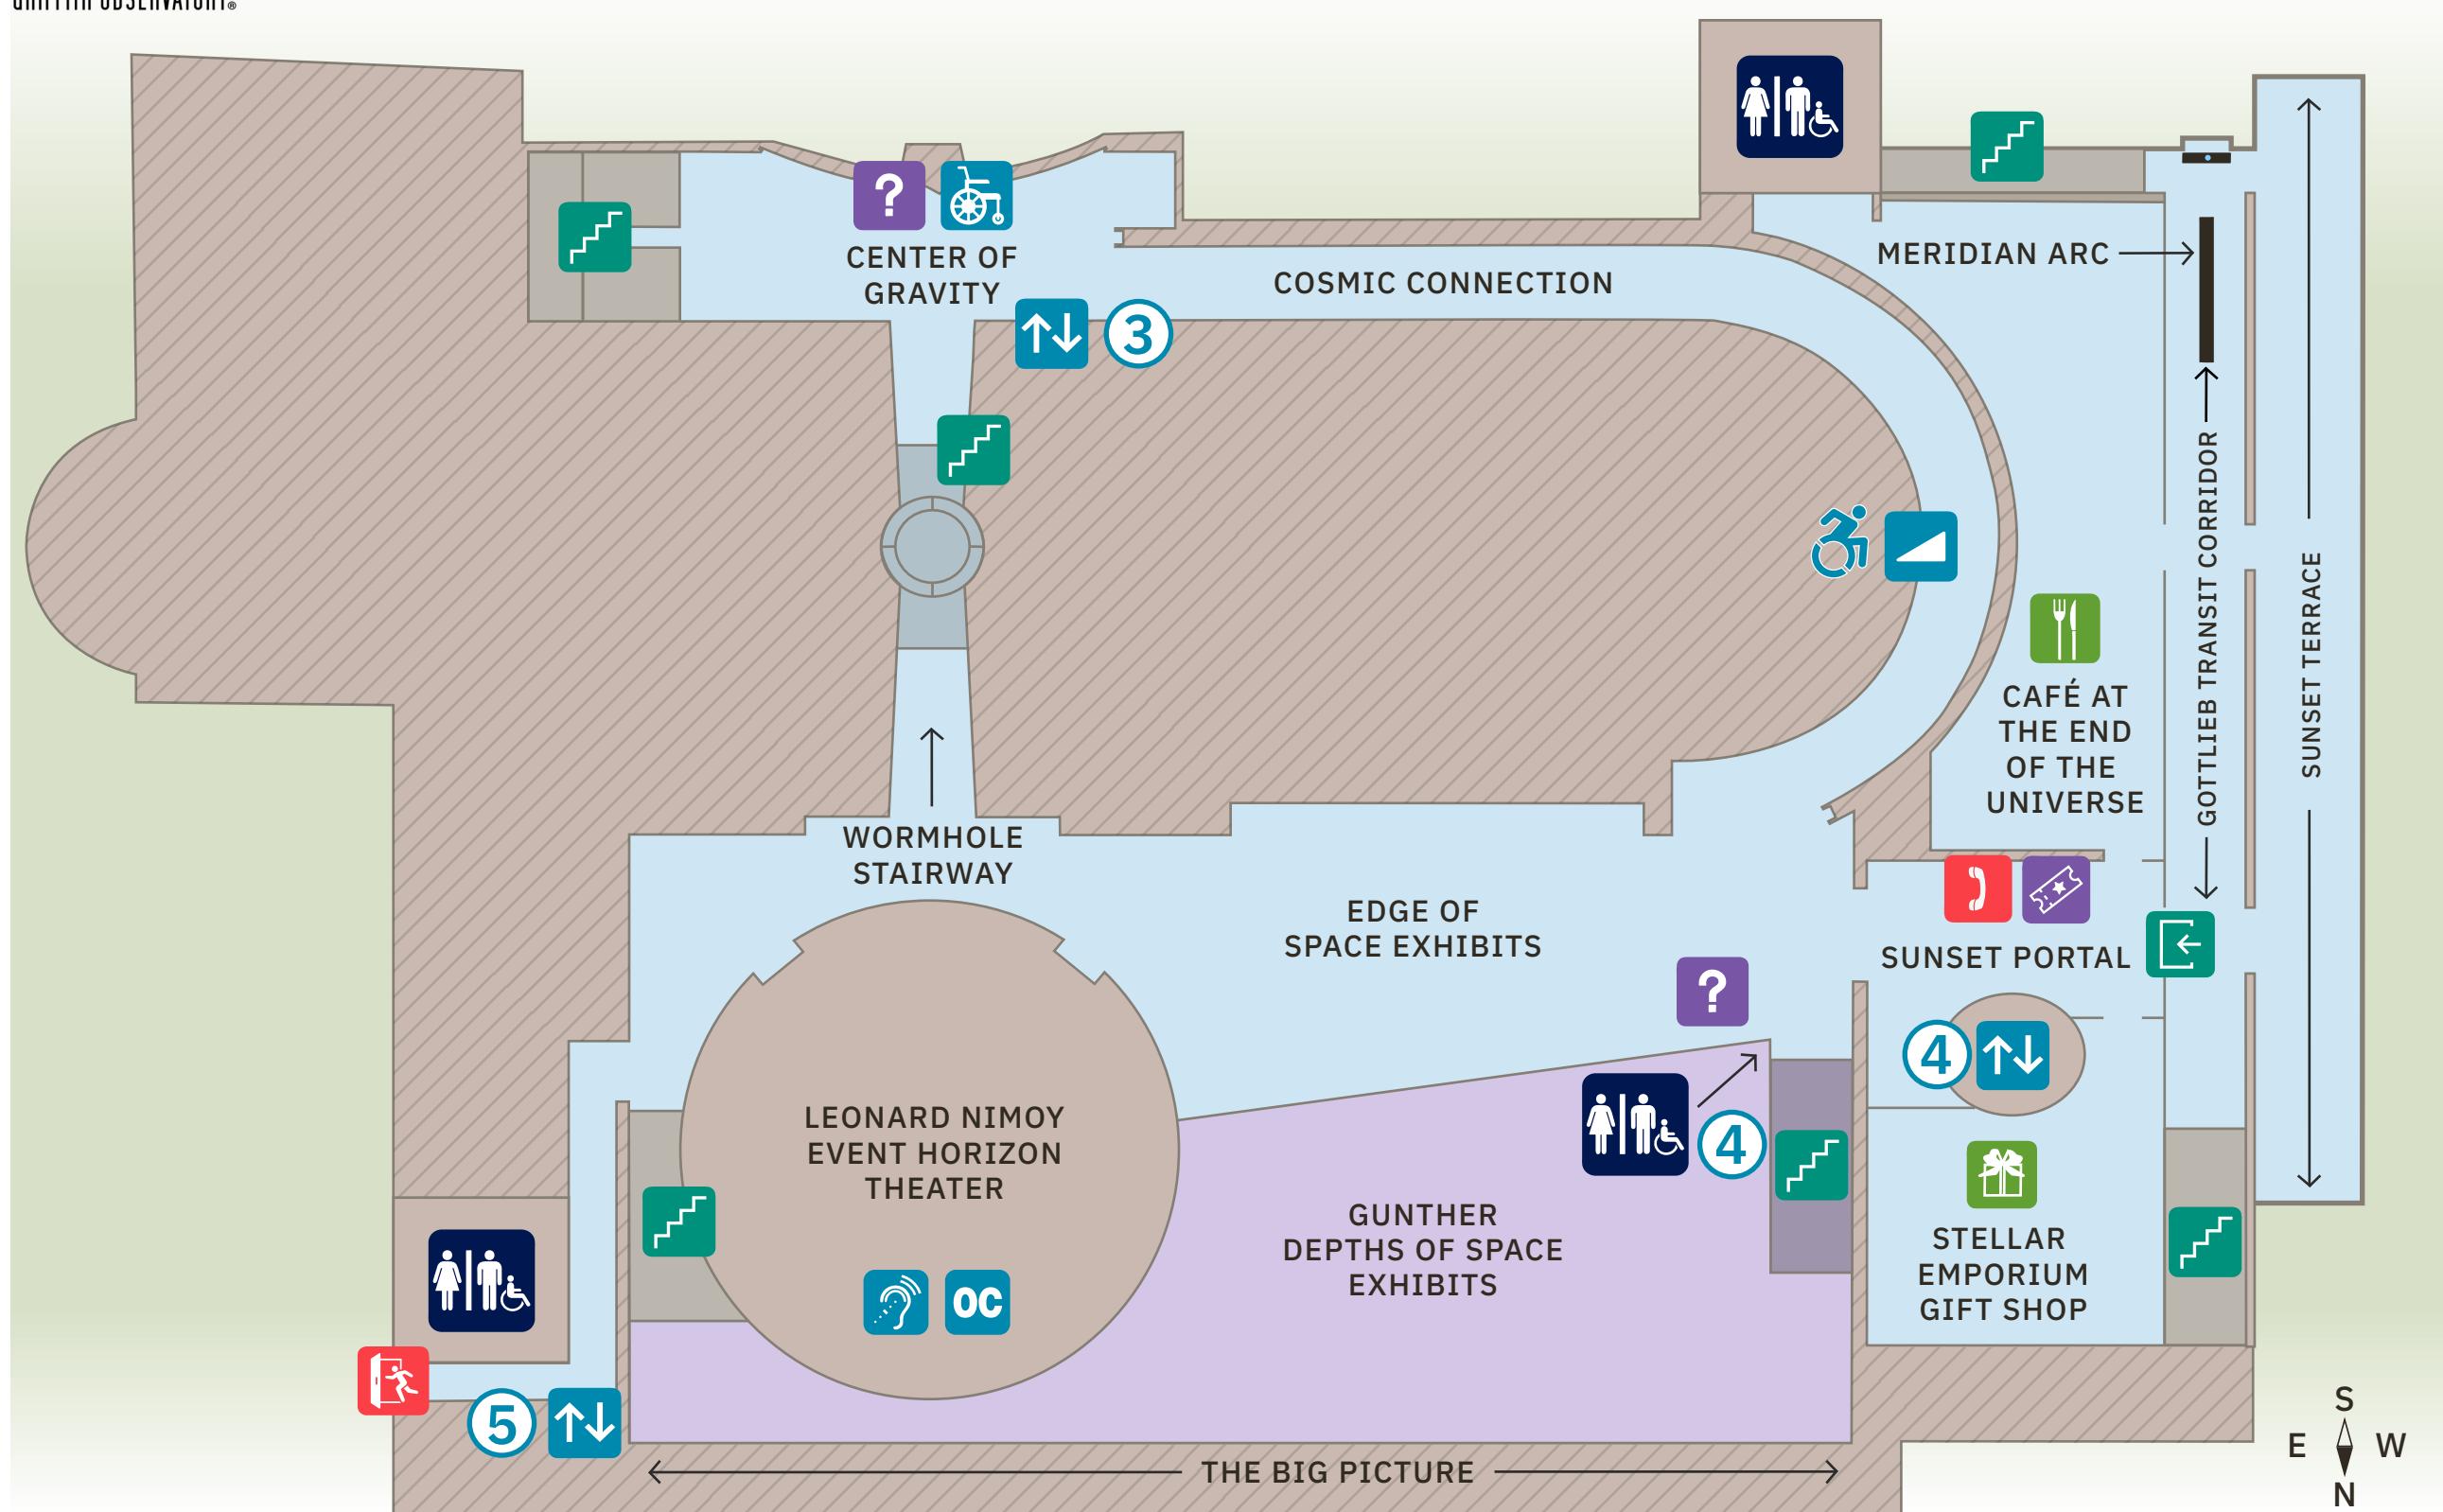

Hearing assist devices are available upon request in the Samuel Oschin Planetarium. With at least five (5) business days advance notice, we can also make provision for sign language interpretation. If you have other questions about seeing the program in the Samuel Oschin Planetarium, please call the Observatory's General Information Line at **(213) 473-0800**.

### INTERPRETIVE STAFF

Our Museum Guides and other staff are present on the floor to make your visit richer and more enjoyable. In addition to periodic presentations and talks, please feel free to ask questions about the exhibits, the sky, and astronomy.
